Dear Sir:

**Subject: First Appeal under Section 19 (1) of RTI Act against Reply Letter No. I-35/2023-CEF. Dated:17.07.2025**

This is to bring to your kind notice that, I had filed an RTI application on 07.07.2025 for getting information under RTI Act (copy of which is enclosed herewith for your ready reference) to CPIO - Central Institute of Coastal Engineering for Fishery, Bangalore to provide certain information & documents under Right to Information Act. The CPIO replied vide his Letter No. I-35/2023-CEF. Dated:17.07.2025 by quoting the Section 7(9) of the RTI Act. My RTI application involves the matter which is explained in the RTI section (2)(f), (2)(j), (i), (ii), (iii), (iv) and it neither disproportionately diverts nor is an interpretation of the resources of the public authority as purported in CPIO's reply letter quoting Section 7(9). The Section 2 (j), (ii) provides provision for extracts of documents or records. My RTI application intended to obtain a catalogued and indexed record, which is to be maintained by the authority as per Section 4 (1), (a). I, hereby, appeal that even though the information sought by me does not violate any rule, it was not provided and it bereaves my right to information and also violates the RTI Act section (2)(f), (2)(j), (i), (ii), (iii), (iv) and 4(1), (a), (b), (c), 4(2), 4(3), 4(4).

Hence as per the provisions of RTI Act 2005, you are requested to provide the information.

Thanking you
