Sub: Rajya Sabha Question Dy No.S3954 due for answer on 11.02.2026 regarding "Financial support to various projects under Pradhan Mantri Matsya Sampada Yojana (PMMSY)" – reg.

a) **What is the status of Kerala's project proposal for the Ajanur Fishing Harbour (Kasagod) submitted to the Government;**

Reply: The proposed fishing harbour site at Ajanur was visited by the CICEF team during March, 2025. Considering the close proximity to existing fishing harbours (Kasargod and Cheruvathur), high construction cost for breakwaters, training walls, limited number of proposed design fleet size viz. mechanised fishing vessels, CICEF opined that the proposal is not economically viable.

b) **Whether the Government has decided to extend financial support to this project under the Pradhan Mantri Matsya Sampada Yojana (PMMSY); if so, provide details; if not, state the reasons;**

Reply: Information not available in CICEF.

c) **Status of extending financial support under PMMSY to Kerala for the net factory project at Neendakara (Kollam);**

Reply: Information not available in CICEF.

d) **Status of extending financial support under PMMSY to Kerala for the installation of Turtle Excluder Devices (TEDs) in trawlers?**

Reply: Information not available in CICEF.
